

# Early Humans Activity

## The Human Family Tree

**Instructions:** Print a copy of this chart and fill out each row of the chart as you complete the corresponding lesson in your Early Humans unit. You may bullet point the "Quick Glimpse" section of the chart, and you may either draw or find a picture online that will help you remember the key traits of each of our early human ancestors.

Time Period	Name	Quick Glimpse	Picture
About 4.5 Million BCE			
About 3 Million BCE			
About 2 Million BCE			
About 1.5 Million BCE			
About 500,000 BCE			
About 25,000 - 10,000 BCE
