

India Aryan Civilization Activity

Do you do Hindu?

Hinduism: Hinduism is the religion of the majority of people in India and Nepal. It also exists among significant populations outside of the sub-continent and has over 900 million practitioners worldwide. As you read about Hinduism, complete the chart below. On your chart, you may bullet-point the Hindu beliefs you just read about. By creating a symbol that represents each Hindu belief, you will prepare for success on the next activity, for which you will create a Mandala of Hindu beliefs.

Hindu Belief	Key Points about the Belief	Symbol for the Belief
Brahman		
Multiple Gods		
Dharma		
Karma		
Samsara
